After all that time I spent decorating it
The ship is sinking.
Now I understand the purpose of those flowers
What happened on that ship?
They were symbolizing our deaths
It's a secret Right, Mu Hyul?
We can't tell him that the R was trying to kill us

We're alive, so let's give Hae Ri another chance.
When we get back, I'm going to move to Mu Hyul's house.
Huh? Look
It's that guy who left us to die
I hear something, but I don't see anything!
Sfx
Pant pant
If somebody was really in distress, he would take off his clothes and wave it around—
Save— save me! I'm over here!

Hae Rang!
Can you see me now? Save me!
Your cellphone has a camera right?
Sfx CLICK
I'm sorry!
찰칵!
Why are you taking photos of Duk Il Ryu?
Sfx Wobble

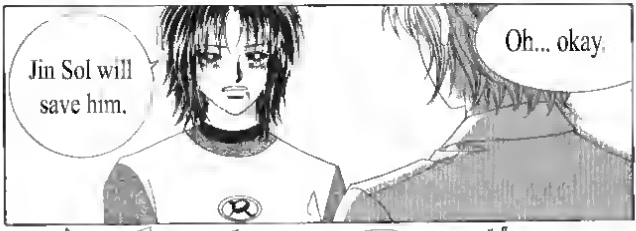
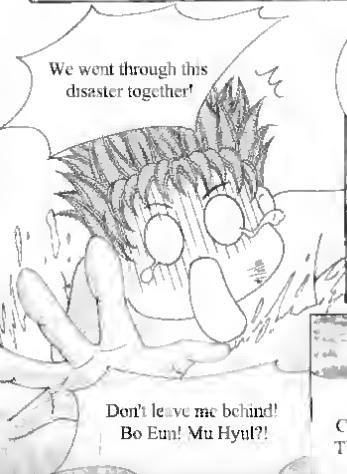
Sfx, Splash

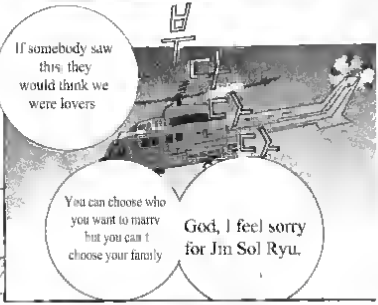
Nah. Let's just leave him.
Aren't your parents doctors?! You're supposed to save people!



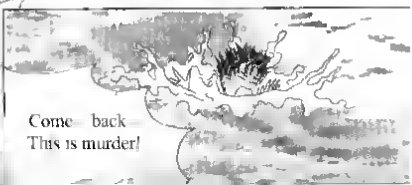
Jin Sol will save him.
Oh... okay.



We went through this disaster together!
Don't leave me behind! Bo Eun! Mu Hyul?!



If somebody saw this, they would think we were lovers
You can choose who you want to marry but you can't choose your family
God, I feel sorry for Jin Sol Ryu.



Come back This is murder!

Sfx
Mutter
mutter
You're a man?!
How can a guy look so pretty in a dress?
Will you stop talking? I didn't ask you to get on the boat
Jin Sol! Over here!!
..Jin Sol Ryu... please save me.
Is that my brother? Heaven must be punishing him
Nah. Let's keep moving. Miss... I mean... Sir!
Sfx
Drowning
You're just going to abandon your big brother..?!
Think of our father.
He'd never forgive you for killing me!

I know you're a good son.
If you save me I'll give you whatever you want!
Get in! I'm only helping you because I care about our father
Sfx Climb
VOLA
Thank you...
Do you think I would have said that?
You think I meant what I said? You idiot! If it wasn't for you, I wouldn't be in this situation.
Sfx Kick
VOLA
Sfx Splash

Sfx. Shove
You're the one who should drown!
Sfx. Uwaaa Stumble
This is my boat!
Sfx. Splash

Just call me a lady I plan on getting surgery anyways
Haha! Okay–
Father will cry if you abandon me I'm your brother! Save me!!

Is he really your b

insufferable guy
Just let him drown
Sfx=
Thunk
I can't do that He's my
father's only son.
But... he'll
probably try to

boat again...
Sfx_

Sfx,
Vrooom
You piece of shit! If you
want to save me, then

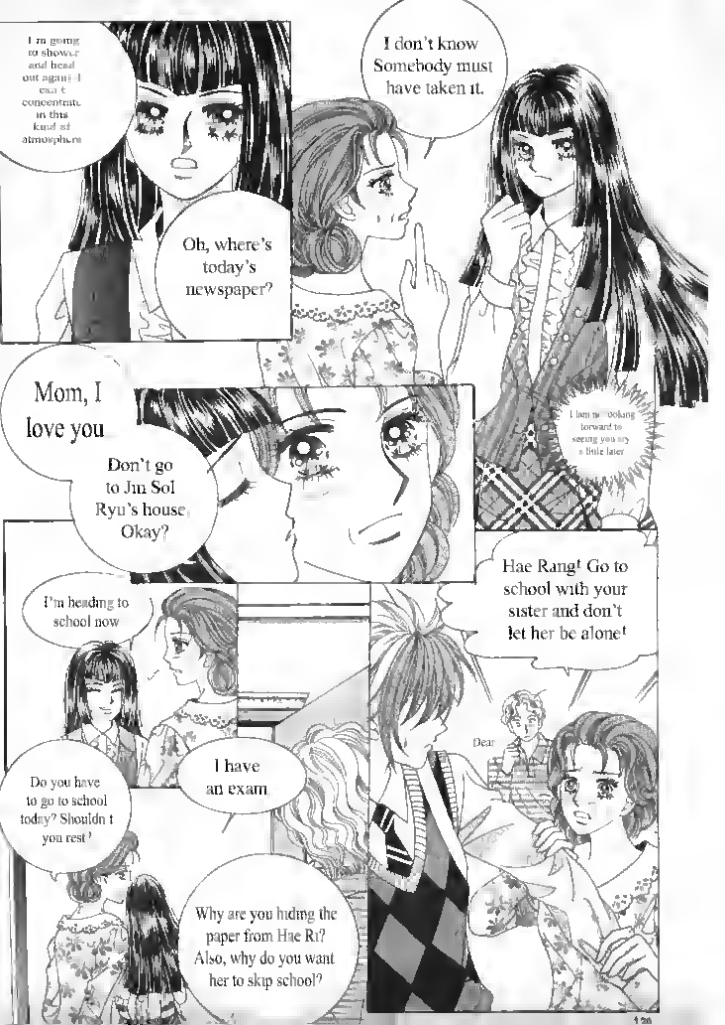
I'm a murderer... I killed Bo Eun... Duk Il... and Mu Hyul...
Sfx: Boom boom
Sfx: Boom Boom
I wanted to be with you... and yet I killed you with my own hands. You were my only reason for living..
I let anger and jealousy control me...
I'm scared of myself...
Hae Ri! Where did you go?
I'm not crying this is just sweat
Let's go back home before anyone wonders where we are
Why are you crying?

Eat more mandarins. They'll make your nails stronger.
Sometimes, my eyes twitch for no reason. What does that mean?
That's usually a sign of stress and fatigue. It also means you're low on magnesium and high on calcium
You should eat almonds, raw vegetables, dried squid, and non-processed grains
But you also have to control your stress.
Dear! Have you been here this entire time?
Seung Joon wouldn't be happy if he saw me laying around all day
Also, try to avoid soda and processed foods.

You can't just move from bed rest to treating the local elder citizens
You're welcome to visit everyday, doctor!
Haha! I look forward to it!
Dear! You're still recovering Are you sure about this?
Don t worry I m going to be even more busy since I ll be handling Seung Joon s share as well
Dad! Should you be walking around like this?
Mu Hyul! And Bo Eun?
Bo Eun! Are you allowed to be here?

Bo Eun is going to live with us from now on...
What?! You need to go back home, Bo Eun!
You're not an orphan anymore If you stay with us your parents will hate us even more Now go back home!
As you can see, we're still trying to sort everything out
Please let me stay I'll work hard and help with the business
Please don't get angry Bo Eun needs our help
...Why do you look so thin and weak? Are your parents feeding you?
It's because Mu Hyul isn't with me
I can't send her back to that house. She may get hurt
...Please allow this Mother! Father!

Even if my father gets angry he will never win against Mu Hyul's warm smile
Did Bo Eun tell you that she was sleeping over at a friend's house?
Dear! Calm down That isn't important
Mom ..! What is going on? It's still early in the morning
She will never come home again Dad
Hyu...
Sfx Move
Hae Ri! Did you just get home? You look tired Maybe you should eat something



I'm going to shower and head out again. I can't concentrate in this kind of atmosphere
Oh, where's today's newspaper?
I don't know. Somebody must have taken it.
I look forward to seeing you in a little later
Mom, I love you
Don't go to Jin Sol Ryu's house, Okay?
Hae Rang! Go to school with your sister and don't let her be alone!
I'm heading to school now
Dear
I have an exam
Do you have to go to school today? Shouldn't you rest?
Why are you hiding the paper from Hae Ri? Also, why do you want her to skip school?

Why is everyone staring at me?
Sfx, Look
They must have read the newspaper
I have to act innocent

Hae Ri! I read the news Is it true?
The article said that Mu Hyul's hospital swapped you and Bo Eun,
And the one who did it w as Mu Hyul's brother Does that mean you aren't related to your parents??
So that homeless man was your real father?
How can they ask these questions?
Seung Joon protected me He made me a princess
Sfx: Turn
What?
Why is everyone talkin_ about my real father What was on the p per?
Why isn't it about the sinking ship?!
Sfx Grab
I know what you did

You must be surprised. I'm guessing you thought people would be talking about something different, right?
I had to pay for the boat somehow
So I sold the secret about your birth to a news outlet.
Sfx: Ugh
How... how are you still alive?
Sfx Lift
...You really wanted to kill us.
Did you think that everything would go according to your plan? The world isn't that easy!
Everybody is alive

Sfx
Grab
Go away
Duk Il.
You're the
last person to
act high
and mighty
Sfx
Slap
Sfx
Slap

Sfx:
Slap
Are you hurt? Luckily you won't die from it
What you did was so much worse.
You should be thankful that we're still alive
I can't forgive you for this I'm done trying to understand and accept you.

Who told you to forgive me?
I didn't ask to be accepted
I should be thankful for failing...?
Hae Ri... you still don't understand what you've done?
Don't make me laugh! Seeing your fake is like waking up to a nightmare.
Mu Hyul ... I'm glad you're alive... but only you.

It hurts to see you with Bo Eun.
But I don't want to live in the world where you don't exist.
I really don't know.
How
How can you still look at Mu Hyul like that...?
Sfx; Bang bang
If you loved him so much, how could you leave him to die?!
Please... Save Mu Hyul, because you loved him

You tried to kill me, I will never be okay with that.
And yet I want to move on and live happily. So let's just agree to ignore each other from now on.
But I will forget
All of the horrible things you've done
Goodbye!

I can't believe you planned to kill them
You know. I was rooting for you and Mu Hyul but then you had to do this
Why... Why did you do it?
One day, I woke up and realized I turned into somebody else.
Don't touch me!
If you don't want to be included in my next plans...
Then mind your own business. I won't make the same mistake again

You think this is over, Hae Ri Na?!
Sfx Come closer
What did you do to Bo Eun?
Sfx Hit
I shouldn't have saved you!
Are you crazy? Take it easy! I'm still bruised up from the beating I got from Mu Hyul!
Sfx Bang
You're like a spoiled brat. You should act more like an older brother
If father won't punish you, then I'll do it myself
If you do something to disappoint father I'll drain the blood out of your body
And to think, I was even jealous of you... but that's only because you shared the same blood as father.

Have you seen Hae Ri?
I don't know anymore.
What kind of answer is that?
Hae Ri is your responsibility now I'm going to be focused on Mu Hyul
"I love you until I die, Mu Hyul..." That's all my sister says these days
Fine... I'll look for her myself Just don't forget about your debt
The only reason why I saved you was because I predicted that you would win the singing contest, so consider it an early present.
Hae Ri is your best friend

Mu Hyul is the thief who stole you and you're the runaway who abandoned our family. You guys don't get any freebies
Bo Eun Are you happy?
It's a secret!
I don't want anyone to know someone may get jealous.
That's okay I can see it from your expression
I'm still your older brother. If that guy makes you cry, I want you to call me
Thank you... but.. Mu Hyul will never make me cry.
After all, he's the stronger one

Have you found Hae Ri yet?
I'm sorry, President!
We're still looking. I'll inform you as soon as we can
...I think you should look outside your window
Who are these people?
...They're supporters of Mu Hyul's family.
They're protesting you and the shutdown of the hospital.
People are still siding with them... even after hearing the truth?

R
R
R...
Yes? Ah, Congressman
Sfx. Close
Please help me
Doctor Choi refuses to perform my surgery. No matter how many times I ask, he keeps recommending me to other hospitals
Why don't you go to another hospital? It's not like he's the only doctor in the world.
Doctor Choi is different. He's one of a kind.
I'm begging you... please save my life.
Sfx: Slam
Is he trying to pressure me because of Hae Ri?

Get the car ready! I'm going to find Bo Eun myself.
I bave to find Bo Eun and bring her back home.
And I ll bring her back home, no matter what
Sfx Hit
This sandwich is so delicious, you won't even notice the person next to you drop dead.

Your future mother in law hits the back of your head when you he
I'm that future mother-in-law...
And I don t appreciate you hitting my daughter in law
Sfx Smack
Thank you mom~
Isn't my mother in law the best?!
You didn t need to applaud her.
Sfx Clap Clap
And what's with that face?
Why are you here?
My brother did something very cruel
I would never want to have your children ...
Also, Mu Hyul and I can handle this business together

I'm sorry! I got out late from my part-time job.
I just rest
The women can handle the work!
I can't stand watching this. Why am I ever here? There should be women I'm not like both me
Huh?
Isn't that your father?
Get in the car. We're going home.
Sfx: Clench
You don't need to worry I'm taking good care of her
I must have not sprayed enough salt last time
Are you serious?! You're making her sell sandwiches on the side of the street! Is that what you call taking good care of her?
TN: Korean people spray salt on the floor when they don't want someone to visit the n

I consider Bo Eun my daughter-in-law
She's the woman our son loves
I don t want to cry and starve anymore.
Please try a sandwich It's delicious.
Dad! Our love is destiny. I'm not going with you!
Some people go into the tiger s den to catch a tiger I went to Mu Hyul s house to be happy
Unlike you, I don't regret my choice.

You have heavy bags under your eyes. Are you worrying over Hae Ri?
If you improve your blood flow it'll reduce the swelling
Poke the area around your eyes like this
Sfx: Poke
W-what are you doing?
Is this acupressure?
Drink one cup of water every hour and pee once every two hours. And eat more green vegetables
People say that a novice shaman can kill a man
Why are you acting like a doctor?!
Dad! Mu Hyul has been working at the hospital for years
Even though I've only spent a few days with him,
I can already tell that you need more vitamin B for your rough lips

Eat more egg whites, fish eggs, and ox livers
Hmph! And don't forget your smoking addiction You need more folic acid in your diet.
What is this? You're living with a family of quacks ..
I know.
You think everything will get better when Hae Ri returns
And when I leave Mu Hyul
If you know everything, then get in the car
I'm happy here, so go find Hae Ri
The two of us can't live together
I'll be okay because I have Mu Hyul and his family
But. Hae Ri only has you and mom

We remained quiet, but Hae Ri never returned
Mom cried during those years, but we still couldn't find Hae Ri
Stx
Cry
우아아
What happened? Tae Gang Choi!
Stop! Don t be scared. These people are just hungry
Ah... do you want some?

Handsome and warm... you remind me of Mu Hyul during those days
When I was most happy...
Hae Rang!
Hae Ri!
When my love was still pure
Mom... mom!
It's okay. We're leaving now.
Please eat something with this.
Clench

Yes... I will eat
I'm... going to move on.
Sfx. Munch munch
I don't want to kill you...
Hae Ri!
Have I seen her before? Maybe... the sandwich... that I gave her is
Mu Hyul! Call the ambulance!
Don't... no doctor would want to save a person like me
Didn't you know— I'm deathly allergic to nuts... I can't breathe... And yet you smile
Did you want to kill me that badly ? I hope you're sorry for the rest of your life... Ho Eun. Gwak

Hae Ri!!
I hate you for not accepting me even though I loved you so much
But... if my last moments are spent...
Being embraced by Mu Hyul... then I can die happy
Hae Ri... you were already so lucky
The person who has the saddest birthday is me
Not you.
And yet you still weren't satisfied
...Mu Hyul thank you. Together, we can overcome anything
The only reason why I can smile in this portrait, is because you're with me
I'm tired of seeing death. I want to be part of life. That's why I became a obstetrician
I'm happy
God gives everyone the right to choose
You're happy because you chose to be happy. So if you're unhappy, then please... I hope you make the right decision
The End
